Doug Marmie

We wish to report:

1. Consider **Ordinance No. 21-15** AN ORDINANCE VACATING A PART OF A TWENTY (20) FOOT WIDE ALLEY AS SHOWN ON THE PLAT OF LUCIUS SMITH'S ADDITION, AS RECORDED IN VOLUME 2, PAGE 156 OF THE LICKING COUNTY PLAT RECORDS, AND RENUMBERED IN VOLUME 52, PAGE 19 OF THE LICKING COUNTY DEED RECORDS; SAID ALLEY IS LOCATED SOUTH OF EAST RAILROAD STREET, BETWEEN SOUTH SECOND AND SOUTH THIRD STREETS
City Engineer, Mr. Brian Morehead – This was requested by the Licking County Land Bank to vacate a small portion of the alley. You probably saw in your documentation that part of the alley was actually under roof of the old Newark electroplating building before it was torn down. The reason is, the rest of the alley to the south has already been vacated and the Land Bank would like to vacate this small part on the north of that and assemble all of those lots together along with the vacated alley and sell it for re-use.
Motion to send to full council by Mr. Rath, second by Mr. Marmie
Mr. Blake – Is this all zoned commercial? Do you know what the future purpose is after we take this action?
Mr. Morehead – I do not know personally what the purpose is other than they want to sell it for re-development. It is currently zoned Limited Industrial zoning district.
Motion passed 7-0

Sean Fennell, Chair
