The Capital Improvement Committee met in Council Chambers on May 5, 2025 with these members present:

Bradley Chute – Chair
Jeff Rath – Vice Chair
Doug Marmie
Dustin Neely

Absent: Mark Labutis

We wish to Report:

1. **Resolution No. 25-31** A RESOLUTION APPROPRIATING MONIES FOR THE CURRENT EXPENSES OF THE MUNICIPAL CORPORATION

Section 1. There is hereby an appropriation of the unappropriated balance of the 335 Capital Improvement Fund, in the amount of \$65,000.00 (General Building Maintenance Grounds needs)

335.121.5271	Maintenance Buildings/Grounds	65,000.00
--------------	-------------------------------	-----------

David Rhodes, Service Director - Thank you, Mr. Chair. It seems like the same time last year. This is the remaining amount of money that's available in Capital Improvements. I generally come to you in May or June and ask you to appropriate it. I don't have anything identified for these dollars, but why I do it now is because of the process it takes and the time it takes to get it appropriated. So, if something comes up in August, (inaudible) I'll have the money for it, and that's the reason for the appropriation.

Motion to send to full council by Mr. Marmie, Second by Mr. Rath, Motion passed 4-0.

Capital Improvement stands adjourned

Brad Chute, Chair
