We wish to Report:

1. **Resolution No. 17-19** appropriating monies for the current expenses of the municipal corporation was considered.

Section 1. There is hereby an appropriation of the unappropriated balance of the 335, Capital Improvement Fund, in the amount of \$13,762.00

Account	Description	Amount
335.432.5331	Machinery & Equip	\$13,762.00

**Director Rhodes-** this is for the Parks and Cemetery Department, we want to buy to backpack blowers, two mowers and two weed eaters and those will all be bought at a local company here in Newark. We do this every year; we replace a couple of mowers, weed whackers and blowers.

**Motion by Mr. Bubb to send to full Council, Mr. Fraizer**

**Mr. Fraizer-** what is the balance of the Capital Improvements fund?

**Director Rhodes-** approximately \$40,000.00. We appropriated \$450,000.00 towards paving and another \$200,000 went towards the Cherry Valley Road project.

**Mr. Fraizer-** is this all you think that you will need for Parks and Recreation?

**Director Rhodes-** we hope, it depends on how much it rains.

**Motion passed by a vote of 5-0.**

Dee Hall, Vice Chair
