

Capital Improvements Minutes

Honorable Council
City of Newark, Ohio
December 11, 2014

The Capital Improvement Committee met in Council Chambers on Monday, December 8, 2014 following the Service Committee with these members present:

Dee Hall, Chair	Bill Cost Jr.
Jeff Rath	Alex Rolletta
Curtis Johnson	

We wish to Report:

1. **Ordinance No. 14-43** amending section 890.13 of the codified ordinances of the City of Newark providing for the allocation of income tax revenue was considered.

Director Rhodes- you have heard the discussion all evening, we are changing the split from 85/15 to 90/10. There was some discussion by Mr. Bubb as to whether we should make that permanent. If you want to change it so that it isn't permanent then you could do that on Council floor. You can do it at Committee or Council.

Ms. Hall- we can do it at Council

Mr. Guthrie- I just want to make sure I understand the amendment we are talking about making at full Council, it is to make it

Director Rhodes- a one year change

Mr. Guthrie- yes, ok.

Mr. Rath- I personally will not support this at full Council unless we have the amendment that limits it to one year. If we have to extend it year to year that's fine but I would be opposed to making this a permanent change.

Motion by Mr. Rath to send Ordinance 14-43 on to full Council, second by Mr. Cost Mayor Hall- there were no intentions to go beyond 2015 also if it was permanent you have the right to undo that every year.

Motion passed by a vote of 5-0.

Dee Hall, Chair
