

Service Committee Minutes

Honorable Council
City of Newark, Ohio
January 23, 2018

The Service Committee met in Council Chambers on Tuesday January 22, 2019 following the Finance Committee with these members in attendance:

Bill Cost Jr, Vice Chair
Jonathan Lang
Jeremy Blake
Ryan Bubb
Doug Marmie for Jeff Rath

We wish to report:

1. **Resolution No. 19-03** approving the renewal application for placement of farmland in an agricultural district and declaring an emergency was considered.

Director Sassen- I will speak to both 19-03 and 19-06 because they are essentially the same issue they just involve different parcels of property. These are parcels of property that are still within the City of Newark that are used exclusively for agricultural purposes. It is simply a renewal of their status of a CAUV property with the County Auditor's position. It is about as a minuscule function as this committee will ever see. It is listed as an emergency because we have statutory deadlines to respond to the Auditor's office so that they can act on the renewal application.

Motion by Mr. Bubb to send to full Council, second by Mr. Lang
Motion passed by a vote of 5-0.

2. **Resolution No. 19-06** approving the renewal application for placement of farmland in an agricultural district and declaring an emergency was considered.

Motion by Mr. Bubb to send to full Council, second by Mr. Lang
Motion passed by a vote of 5-0.

Bill Cost Jr, Vice Chair
