

Service Committee Minutes

Honorable Council
City of Newark, Ohio
April 26, 2016

There was a meeting of the Service Committee in Council Chambers on Monday April 25, 2016 after Street Committee with these members present:

Jeff Rath, Chair	Carol Floyd
Bill Cost Jr.	Ryan Bubb
Mark Fraizer	

We wish to Report:

1. **Resolution No. 16-44** authorizing and directing the Director of Public Service to accept bids and sell certain surplus personal property now owned by the City of Newark, Ohio, and declaring that such property is no longer needed for any municipal purpose, and declaring an emergency was considered.

Director Rhodes- we are planning on having an auction on June 4 at the Service Complex. We will be selling many automobiles as well as bicycles and other office furniture that the city owns. The reason that there is an emergency on here is because we have to walk back a certain number of days after the auction to make sure that we meet all of our deadlines.

Motion by Mr. Bubb to send to full Council, second by Mr. Fraizer

Director Rhodes- if you have never been to an auction come on down the Street Department works hard and the Police Department to get these ready.

Mr. Fraizer- these bicycles aren't police bicycles?

Director Rhodes- they are bicycles that have been left on street corners that we have picked up. They sell anywhere from a dollar to \$5.00.

Motion passed by a vote of 5-0.

Jeff Rath, Chair
