Ways & Means Committee Minutes
Honorable Council
City of Newark, Ohio
December 15, 2015

The Ways and Means Committee met Monday December 14, 2015 in Council Chambers following the Economic Development Committee, with these members in attendance:

Ryan Bubb, Chair Doug Marmie
Jeremy Blake

We wish to report:

1. **Resolution No. 15-109** amending the distribution and use of net emergency medical transport revenue was considered.

Director Spurgeon- the piece before you seeks your support. We of course need some of the proceeds for our cost of recovery The current ordinance if you think of a pie is divided into two each slice having four separate assignments. The General Fund side we would like to eliminate line (d) which is 37.5% which currently funds the debt obligation of the new fire station. You have heard your Mayor and I agree we have the funds to meet those obligations. This revision would reassign those funds into the General Fund in an effort to balance the budget. On the fire side of the pie they have a 5% assignment of their monies to help meet the debt obligation on the fire station. Again we would like to reassign that into the personnel costs which would take it from 60% to 65%.

Motion by Mr. Marmie to send to full Council, second by Mr. Blake
Motion passed by a vote of 3-0.

Ryan Bubb, Chair
