Brian Morehead- this is funding that we received from the Licking Parks District. The Service Director and the Parks Department worked out a deal with them. We will be including another section of bike path resurfacing from the YMCA out to 21st Street and we would like to appropriate these funds with our resurfacing funds so we can include this project. We did this last year with another portion of the path off of Log Pond Run along the diversion channel.

Motion by Mr. Fraizer to send to full Council, second by Mr. Rath

Brian Morehead- this was the estimate for paving that portion and they gave us the full amount.

Mr. Fraizer- so this is full funded by the Parks?

Brian Morehead- that section is

Motion passed by a vote of 5-0.
