The Capital Improvement Committee met in Council Chambers on Monday, July 14, 2014 following the Service Committee with these members present:

Dee Hall, Chair Bill Cost Jr.
Jeff Rath Alex Rolletta
Doug Marmie for Curtis Johnson

1. **Resolution No. 14-59** appropriating monies for the current expenses of the municipal corporation was considered.

- a) A request for an appropriation of the unappropriated balance of the 335, Capital Improvement Fund, in the amount of \$5,200.00 (Mower for Cemetery/Parks)

Account	Description	Amount
335.432.5533	Machinery Equipment	\$5,200.00

Director Rhodes- if given the authority to spend the \$5,200.00 on a mower we are going to take a little time and look for one and shop locally. We are need of another mower for Cemetery and Parks. We wear out a lot of weed eaters and mowers throughout the year. We cut an awful lot of grass. We would like to take \$5,200.00 out of Capital Improvements to give us the ability to go out and look for a mower.

Motion by Mr. Cost, second by Mr. Rath to send to full Council
Motion passed by a vote of 5-0.

Chair, Dee Hall
