

INSTRUCTIONS AND SIGNATURE

Each Vehicle must be registered separately and this permit is non-transferable. Companies using tankers must register the tank, not the cab. For each vehicle utilized for the transportation of waste for the disposal into the City of Newark Wastewater Treatment Plant, the application fee is fifty dollars (\$50.00)/(2) years, payable at the time of application to the “City of Newark”.

For each vehicle for which a permit is requested, evidence of a five thousand dollar (\$5000.00) surety bond must accompany your application. A single bond for the total amount of trucks requesting a discharge permit may be submitted in lieu of individual bond forms. Bonds must be submitted on the City of Newark Bond Form.

Applicant shall provide with the application, a copy of a current Licking County Board of Health Cleaners Registration for the vehicle being permitted.

If you have questions or comments, you may contact the City of Newark Wastewater Treatment Plant at (740) 349-6768. Send completed application forms, fees and bond forms to:
