PARKING ENFORCEMENT

Newark Police Officers will monitor all public parking in downtown Newark between the hours of 7:30 AM – 5:00 PM Monday – Friday, excluding holidays, to ensure enforcement of all parking ordinances. Officers will be using handheld scanning devices which input vehicle's license plate numbers and exact GPS location. The devices will identify if a vehicle has been parked in the same time-zone for more than the allowable time as specified in the parking ordinance.

FREE ALL DAY PARKING

Free all day parking is available throughout the city for extended stay visitors, downtown residents and downtown employees. The map identifies the long term street parking areas, public lot parking and the parking garage. All extended parking areas are a very short walk from the Square.
