Ammonia	\$10.00
NO2/NO3	\$10.00
Toxic	\$30.00
Treatability	\$50.00
Oil & Grease	\$45.00
Organics	Market Price

**Billing Information:**

**Permitted Waste Haulers** will be billed as a customer of the City of Newark's sewer system. Payments for billings will be due upon receipt of bill. If bill remains unpaid 30 days after the billing date, a \$15.00 service charge will be added. If the billing charge and service charge remain unpaid after 45 days from the billing date, the hauler's registration may be revoked and acceptance of trucked waste will be refused. Delinquent fees past due for more the 60 days can result in a claim filed against wastehauler's surety bond. The billing charge will be based on the difference of truck weigh in and out (POTW scales) to determine gallons discharged. The billing rate, multiplied by the total gallons discharged, plus any other applicable fees will determine the final bill. Bills can be paid at the City of Newark Water Office at 34 S. 5th Street, Newark, OH, 43055.
