

2023 Leaf Pickup Procedure & Schedule

City of Newark Stormwater Utility
newarkohiowater.net/stormwater (740) 670-7762

- Citizens are encouraged to mulch leaves or compost leaves when possible.
- Citizens are **REQUIRED** to bag leaves and place the bags at the curb. You must use biodegradable paper or corn starch bags. Bags will be available at local hardware stores.
- Placing loose leaves in the street is a **VIOLATION** of City of Newark and US Environmental Protection Agency standards. If you place **ANY** of your yard waste in the street, you will be cited and fined according to City Code.
- The City of Newark Street Department will drive around the entire area during the scheduled week.
- Citizens may arrange for a special pick up of bagged leaves by calling the Newark Street Department at (740) 670-7734. These pickups are generally scheduled on Fridays.
